

# MEMBERSHIP PROGRAMS

Alpine offers a premier private club experience for families that enjoy an active winter lifestyle. Owned by its members, Alpine is prudently governed and expertly managed, with a view to protecting a quality of experience not available at any public resort. Its natural assets include wondrous views, unique terrain and genuine challenge with an ordered progression in one of the most snow-gifted areas of Ontario. To these the Club has added advanced snowmaking and grooming, high-capacity lifts, and a spacious modern clubhouse housing an active social calendar for its warm and welcoming occupants. These are among many reasons why generation after generation of skiers and snowboarders have made Alpine an important part of their lives.

## **INTRODUCTORY MEMBERSHIP PROGRAM:**

The easiest way to understand what it's like to be a member of Alpine is to experience it. Alpine offers an introductory membership program that provides ample opportunity to do just that, and the deposit portion of your membership will be applied towards your full-voting membership initiation fee.

### **The introductory membership program**

This special introductory membership is the perfect way to learn how rewarding life can be as an Alpine member. From the day you join, the doors are open to our wide array of snow programs, exceptional snow conditions and diverse terrain, snowshoe trails, and the comfort of our clubhouse, with an open invitation to take part in the full social calendar. Experience all that Alpine has to offer.

### **Introductory Membership Fee Structure:**

- \$2,500 initiation fee deposit
- individual dues per family as applicable to our regular membership.

The deposit is applied to your full-voting-membership initiation by joining prior to March 15.

## FULL-VOTING MEMBERSHIP PROGRAMS:

Full-voting membership is the next step, although you are welcome to bypass the introductory membership and join directly as a full-voting member.

### Family full-voting membership

Create a family legacy at Alpine as so many families have chosen to do, and enjoy the prospect of years of winters together. A family comprises the main member, their spouse, and their children under the age of 30.

### Single full-voting membership

This category is designed for individuals with no dependants and can be converted to a family full-voting membership at any time with the applicable initiation fee adjustments.

### Senior full-voting membership

Senior memberships are available for singles and couples from the age of 60. If you're not looking for privileges for your children, or if your children have become members and you want to enjoy skiing with your grandchildren, a senior membership is ideal.

Attractive financing plans are available.

## NEXT-GENERATION MEMBERSHIPS:

Alpine offers flexible opportunities for you to invest in your children's future full-voting membership from any age at generous rates. The investment is secure for as long as you remain a full-voting member or your children convert to full-voting membership, which eligibility begins at age 21.

All fees are subject to applicable taxes. The initiation fee deposit is non-refundable.

Alpine offers an exceptional private club experience for an active family lifestyle. Discover how rewarding it is to be a member, and create a legacy for generations to come.
